GHOSTS OF EVOLUTION

Attn: Booking:

'Ghosts of Evolution' (GoE) would like to be considered for possible live performance(s) at your venue. We are a progressive rock band based in Hampton Roads, Virginia with a robust local following and large social media presence. We are available to play sets ranging from 45-120+ minutes in length and can serve as support, opener, or headliner. To date we have released 12 songs but have many more not yet recorded. All our music can be streamed from our Official Site and/or You Tube Channel (links provided below), as well as all major digital music outlets. We are often compared to Tool, Riverside, Pink Floyd, and Porcupine Tree.

In addition, we play often as an Acoustic Duo, or 'Acoustic Ghosts of Evolution' (AGoE). As an Acoustic Duo, we play a variety of covers with a few GoE tunes thrown in. Some of the bands we cover are: Pink Floyd, Gordon Lightfoot, Jim Croce, A Perfect Circle, The Eagles, Willie Nelson, The Cars, Jonny Cash, The Police, Sting, Billy Joel, The Band, Led Zeppelin, Robert Plant, Tom Petty, David Bowie, Otis Redding, Don Henley, Creedence Clearwater Revival, The Cure, Kenny Rogers, Mr. Mister, America, Rush, Dire Straits, Gerry Rafferty, Queen, Tears for Fears, Billy Joel, Elton John, The Allman Brothers Band, and many more. In this format we can play up to 3 hours and have our own PA System if required.
